CODE OF ETHICS

I, the undersigned, subscribe to the following Code of Ethics as a condition of membership in the Astrological Society of Connecticut:

I recognize that a precise astrological opinion cannot honestly be rendered unless it is based upon a horoscope cast for the year, month, day, time of day, and correct geographical location. I agree not to render such an opinion without this detailed information, unless the horoscope has been rectified by accepted astrological methods, or unless I positively state to the interested party that such conclusions are reached by alternative methods.

I agree not to interpolate or to introduce any interpretation or astrological deductions that are irrelevant to the science of Astrology without first stating that such deductions are neither based upon the chart nor identified with the discipline.

I agree to honor, respect, and hold inviolable all confidences placed in me by consultation except wherein they may involve an act of felony or treason. I agree not to use my identification with the Astrological Society of Connecticut in any unethical manner.

The Society reserves the right to terminate membership at the discretion of the Board of Directors.
