2025-2026 Program

Thurs., September 18, 2025 Ray Grasse **The Roaring 2020s** (Zoom only)

The United States has three important planetary returns – Pluto, Chiron and Uranus – all in one decade. Any of these could by itself indicate turbulent changes – but all three at once?! Ray outlines implications for our politics, culture and institutions in these historic times.

Thurs., October 16, 2025 (ASC's 53rd Birthday!) **Dietrech J. Pessin – Moon Families: A Reliable, Reflective and Predictive Tool**

A Moon Family is a group of Moon phases occurring near the same degree and sign, linked to each other by 9-month intervals. A storyline follows the dates yielding a tool for predicting upcoming events and more!

Thurs., November 20, 2025 Kenneth Miller **Indian (Vedic) Astrology: What's In It For Me? Learn How to Read a Vedic Chart in Two Hours!** (Zoom only)

The basic principles of Indian chart analysis will be explained to improve your house-based chart reading skills, no matter what type of astrology you use.

Sat., November 22, 2025 WORKSHOP **12:00 - 5:00 PM Kenneth Miller – Vedic Astrology For Western Astrologers or "Why Is My Life the Way It Is?"** (Zoom only)

Add the gold-standard predictive technique of Indian astrology, the "dasha" method of planetary periods, to your toolbox without having to learn Indian astrology. View the broad and specific flows of your life as different planets turn on and off, activating the houses they rule.

Thurs., December 11, 2025 (Holiday Party 5:30 PM, Lecture 7:00 PM) Elaine Kuzmeskus **2026 Planets and You!** (no Pre-Lecture)

Elaine explores how Pluto in Aquarius, Neptune in Aries and Uranus in Gemini, all in harmony, bring a turning point for the USA. They offer progress, yet karma is in play. She'll also address what the future holds for you.

Unless noted "Zoom only," ASC lectures are held at Pitkin Community Center, 30 Greenfield St., Wethersfield, CT. **All events are streamed online.**

Thurs., January 15, 2026 Lynn Koiner **The Scoop on Retrogrades: Natal, Transiting and Progressed** (Zoom only)

Take a deep dive into retrogrades, including House positions and progressed Mercury Retrograde early in life.

Thurs., February 19, 2026 Gary Christen **Long Term Outlook: The Coming Era** (Zoom only)

After April 26, 2026, Uranus crosses into Gemini and completes a planetary combination that changed the course of our collective history. Gary will discuss the new time and era, along with our more long-term future.

Thurs., March 19, 2026 Celeste Brooks **Discover the Power of Mundane Astrology: Predicting and Understanding World Events** (Zoom only)

Mundane astrology explores how planetary ingresses, transits and lunar cycles influence nations, institutions and the global events that shape our world.

Sat., March 21, 2026 WORKSHOP 12:00 - 5:00 PM Celeste Brooks – Lighting Up the Dark Side of the Moon: Advanced Lunar Planning for Astrologers (Zoom only)

Move beyond surface-level Moon work to deepen your understanding of the entire lunar cycle (all 8 phases) and learn how to use it as a practical, strategic tool to understand your past and plan your future.

Thurs., April 16, 2026 Ronnie Gale Dreyer **Venus Rising: Exploring the Goddess, Planet and Her Cycles** (Zoom only)

Accompanied by numerous visual images, Ronnie shows how Venus's multi-faceted cycle mirrors the many sides of the Goddess who travelled to the Underworld and back, observed by all ancient cultures.

Thurs., May 21, 2026 John Marchesella **Derived Houses**

You don't have to look further than your own horoscope to find out everything about everyone in your life. Derived houses assign meanings based on the positions of houses relative to one another. Bring your questions, your charts and your sense of humor.
